BUTTE COLLEGE 2014-2015 High School Reports / June 2016

Message from the Butte College President

Butte College values its high school partnerships and is committed to doing everything possible to work with you to help our students succeed.

To that end, I am pleased to present the 2014-2015 high school report which provides information on the enrollment, placement, progression, financial aid and achievements of your students at Butte College. Butte College is committed to provide an accessible and student-centered educational environment for our students. We pride ourselves on the successes of our students and our tradition of providing students with an educational experience of the highest quality.

Butte College offers more than 160 academic and career technical education programs. Students may work to complete an associate degree or a certificate of achievement. Additionally, Butte College maintains guaranteed transfer agreements with many colleges and universities throughout the country. The college now offers 26 associates degrees for transfer – sometimes called degrees with a guarantee. Students earning one of these degrees are guaranteed admission to a California State University campus with a similar program.

Students enrolled in our career technical education programs share similar success whether they are entering or advancing through the job market. In addition, Butte College has established successful partnerships with local industries creating pathways for upward mobility and success in high demand occupations.

Our goal is to continue to prepare your students for a better and brighter future. After reviewing this report please feel free to provide us with any feedback so that we may better serve our future student population. Your input is very valuable and I look forward to working together.

Thank you for your continued commitment to our students and to Butte College.

Samia Yaqub, Ph. D.
Butte College President

Las Plumas High School Report 2014-2015

This is the fourth annual report that the college is using to share its data with feeder high schools. Some of this data, to include the identification of students with high schools, is provided by the students at the time of registration. Butte College is committed to ensuring that this report helps to inform dialogue between the college and feeder high schools. Please provide any suggestions for improvement to:

Les Jauron
 Vice President for Planning, Research and Organizational Development

Placement Results and Success in First Math, English and Reading Course for Entering First-Time Freshmen (FTF) 2014-2015

The assessment test scores, along with other indicators, determine where students will be placed in Math, English and Reading. The classes for each strand are listed below as well as the level of the course as it relates to the ability of the student to transfer from the community college to a four year university.

Shown below is the percentage of the first-time freshmen from your high school that were placed in each level below transfer in Mathematics, English (Writing), and Reading for Fall 2014 as well as the percentage of these students that enrolled in the course into which they were placed during their first year and the percentage of these students that succeeded in this course. The same data for all first-time freshmen entering Butte College is provided for comparison. A small percentage of first-time freshmen are not placed into Math, English or Reading because their goal does not require it. For this reason the placement percentages do not exactly equal 100%.

First-Time Freshmen **Las Plumas High School**
109 High School Students Tested and Enrolled

All First-Time Freshmen
2268 Students Tested and Enrolled

Math

For Math, the classes are - Transfer Level Math, Math 124 - Intermediate Algebra (associate degree requirement, one level below transfer), Math 108 - Beginning Algebra (two levels below transfer, Math 217 - Pre-Algebra (three levels below transfer), and Math 216 - Basic Mathematics (four levels below transfer).

	% Placed	% Enrolled	% Success		% Placed	% Enrolled	% Success
Transfer Level Math	16.5%	38.9%	85.7%	Transfer Level Math	21.4%	60.9%	78.7%
Math 124	12.8%	42.9%	66.7%	Math 124	21.3%	67.7%	66.1%
Math 108	49.5%	66.7%	50.0%	Math 108	39.3%	69.1%	54.9%
Math 217	19.3%	57.1%	16.7%	Math 217	14.6%	64.8%	44.9%
No placement (low score)	0.0%	0.0%	0.0%	No placement (low score)	0.2%	0.0%	0.0%
Total	98.2%	57.0%	49.2%	Total	97.3%	61.0%	59.6%

Writing

For Writing, the classes are – English 2 – Reading and Composition (transfer level), English 119 – Composition Workshop I (one level below transfer), English 219 – Composition Workshop II (two levels below transfer), English 118 – Accelerated Composition Workshops I & II (students start two levels below transfer and are placed into transfer level upon completion), English/Read 277 – Integrated Reading/Writing I (an integrated Reading and Writing course that is three levels below transfer), English 217- Basic Writing Skills (three levels below transfer), and English 215 – Foundations of Writing (four levels below transfer).

	% Placed	% Enrolled	% Success		% Placed	% Enrolled	% Success
Transfer Level Engl-2	45.9%	76.0%	57.9%	Transfer Level Engl-2	50.3%	80.4%	66.7%
Engl 119	28.4%	80.6%	52.0%	Engl 119	26.2%	84.2%	65.3%
Engl 219/118	11.0%	50.0%	33.3%	Engl 219/118	9.7%	57.9%	62.5%
Engl 217 Read/Engl 277	7.3%	87.5%	42.9%	Engl 217 Read/Engl 277	8.2%	76.3%	57.7%

Willows High School	193	198	181	Willows High School	773,874	786,712	652,686

Outcomes Attained by First-Time Freshmen (FTF) from Las Plumas High School
Entering in Fall 2009 within six years

	30 Units	AA/AS	Transfer Directed	Transfer Prepared	Certificate of Achievement	Local Certificate
Las Plumas High School	53%	18%	26%	22%	9%	13%
Entire FTF Cohort	53%	15%	28%	21%	6%	8%

Definitions:

- **30 Units** Students earning 30 or more credits in college improve their lifetime earnings.
- **AA/AS** These students successfully attained an Associate of Arts or Associate of Science degree.
- **Transfer Directed** These students successfully completed both transfer level math and transfer level English. This course-taking pattern demonstrates that the student intends to transfer and probably will do this successfully. Many students who become Transfer Directed actually transfer before becoming Transfer Prepared.
- **Transfer Prepared** These students are Transfer Directed and have successfully completed 60 or more transferable units with a GPA of 2.0 or better. These students are prepared to transfer.
- **Certificate of Achievement** These are certificates that consist of at least 18 units and are approved by the Chancellor’s Office.
- **Local Certificate** These certificates have less than 18 units.

Factors that relate to achieving positive outcomes at Butte College. Shown below are a variety of factors that impact the achievement of an outcome at Butte College along with the percentage of students in each group from the entire Butte College Fall 2009 First-Time Freshmen Cohort that achieved a particular outcome.

Outcomes ^{1,2}

Factors	30 Units	AA/AS	Transfer Directed	Transfer Prepared	Certificate of Achievement	Local Certificate
Place at Transfer Level						
Math	82%	26%	70%	51%	5%	9%
English	75%	23%	54%	39%	5%	8%
Place one level below transfer						
Math	75%	27%	47%	34%	8%	11%
English	64%	24%	40%	32%	8%	9%
Place two levels below transfer						
Math	58%	17%	23%	20%	6%	8%
English	60%	14%	22%	18%	7%	9%
Place three levels below transfer						
Math	45%	12%	15%	12%	5%	10%
English	38%	8%	11%	8%	2%	7%
Concurrent Enrollment	68%	18%	39%	31%	7%	10%
College Connection [Outcome ³]	82%	20%	53%	43%	3%	9%
Start as a part-time student	34%	9%	15%	10%	4%	6%
Start as a full-time student	67%	19%	37%	28%	8%	10%
Entire FTF Cohort	53%	15%	28%	21%	6%	8%
Conclusion:						
• Preparation matters – particularly in Math						
• Concurrent enrollment helps						
• Starting full-time significantly improves the chances for success						

Notes:

1. Students may earn more than one outcome.
2. Cohort includes students that transfer to another college before achieving an outcome.
3. Small cohort (74 students). Many College Connection students do not become first-time freshmen at Butte College because they transfer to a four-year university immediately after their College Connection experience.

Student Profile

Hannah Neville graduated from Las Plumas High School in 2013. As a Las Plumas Thunderbird she played on the softball team, was a cheerleader, and active in the Future Farmers of America, FFA. Hannah attended several FFA leadership conferences, served on the officer team as president and as reporter, and raised livestock to show at the county fair.

Looking back on high school, Hannah says, "I owe a lot of who I am today to my FFA Advisors: Mrs. Earley, Mr. Knapp, Mr. Darrach, Mrs. Aldridge and one of the student teachers at the time, Mr. Reed. All five of these people believed in me and pushed me to be the best I could be. They were there for me anytime I needed them for anything. I know as an adult, I could still count on them for advice or if I just needed to talk something out. I am very thankful for these advisors, mentors, and lifelong friends."

Hannah gives particular credit to her family as a major source of support. "My parents never missed a sporting event, school event or FFA event. They participated in every fundraiser, barn clean up, and whatever else came up. I am so grateful for the love and support my parents continue to show me."

After spending a year at Modesto Junior College, Hannah wanted to be closer to home so she moved back to Oroville and enrolled at Butte College. "It was close, easy to drive to, offered online classes and other night classes that could easily work around my work schedule, and it was cheaper than attending a university for GE," said Hannah.

When asked what she likes best about Butte College, Hannah says, "There are so many options in terms of classes. There are also lots of online classes available. I work full time so night classes and online classes are fabulous." Although Hannah now attends CSU, Chico, "I still take a few online classes here and there at Butte, just for fun or to add to my resume."

While an Agriculture/Business major at Butte College, Hannah is currently a junior at CSU, Chico majoring in business with a minor in agriculture and marketing. She intends to pursue an MBA and work in marketing or human resources areas for an agriculture company. Hannah's goal is to someday own her own business and have a working cattle ranch.
